

**Business Development  
& Fundraising Manager**  
£32k  
(pro rata for 21 hours  
per week)

We are seeking a talented **Business Development & Fundraising Manager** with exceptional communication skills and a successful track record of securing grants from Trusts and Foundations. You will be required to increase our income by 20% percent of our current income by year 2 to respond to the increasing growth in demand for our services. This is an exciting new post within SACMHF that will play an integral role in helping SACMHF to meet fundraising objectives.

Sandwell African Caribbean Mental Health Foundation is a charity which delivers a range of culturally responsive recovery focused mental health services aimed predominantly but not exclusively for people from a Black African Caribbean and Dual heritage background who are recovering from severe and enduring mental illness, their carer's, families and the wider community.

As part of the role, you will be required to develop engaging funding applications to develop SACMHF's portfolio of projects/services and secure new business opportunities for SACMHF. In addition, you will work with the Chief Officer to develop SACMHF's fundraising strategy and you will support a team of Fundraising Volunteers.

You will receive

- Regular support and supervision
- Training
- Employer pension contribution of 6%
- Some flexible work options

If you are an experienced, successful and ambitious fundraiser who is ready for the next challenge in your career we want to hear from you.

Please note that we do not accept CV's.
